Examiner's Amendment

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Mr. Raymond Yat Chan on June 1, 2005.

In the Claims:

Claims 2 – 7 STAND as originally set forth.

Claim 1 now reads as follows to include commas at the positions indicated:

Claim 1 (currently amended): An automobile rear view mirror comprising: a mirror structure having a primary reflective surface and three secondary reflective surfaces; said mirror structure having a normal positionment wherein the primary reflective surface has a vertical orientation;

said primary reflective surface being flat in both the vertical plane and the horizontal plane, whereby the image generated by said primary reflective surface is undistorted;

said secondary reflective surfaces comprising a first relatively large reflective surface having a trapezoidal shape, and second and third relatively small reflective surfaces having triangular shapes;

said first₁ trapezoidal reflective surface being contiguous to the primary reflective surface; said second and third₁ triangular reflective surfaces being contiguous to said first₁ trapezoidal reflective surface;

said first₁ trapezoidal reflective surface having a curved convex curvature in the horizontal plane and a flat configuration in the vertical planes, whereby the image generated by said trapezoidal reflective surface is undistorted in the vertical plane;

said second₁ triangular reflective surface extending downwardly from said trapezoidal reflective surface; said third₁ triangular reflective surface extending upwardly from said trapezoidal reflective surface; said second and third reflective surfaces having curved convex curvatures in the vertical plane.

Reasons for Allowance

The following is an examiner's statement of reasons for allowance: The prior art, taken alone or in combination, fails to teach or fairly suggest an automotive rearview mirror comprising a planar primary reflective surface and a convex secondary reflective surface comprising a first reflective surface having a trapezoidal shape and second and third reflective surfaces having a triangular shape, the surfaces having the curvatures recited, particularly wherein the second and third triangular surfaces of the secondary surface are contiguous with the first trapezoidal surface of the secondary surface, as recited in claim 1.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Post-allowance papers should be mailed to **Box Issue Fee**. Post-allowance papers may also be faxed to correspondence branch in PUBs. The fax number is (703) 308-5083. The **PUBs customer service** number is (703) 305-8497.
